Dear Mrs Maudsley,

Just a card to let you
know I am not in the army,
and have been deferred. Mr.
George Cornish told me he had
heard from you. If possible
I am still interested in a
try out with you Ball Club.

I am working in a furniture
store which is not considered
work, and I have to change
my job so I planning on going
to Baltimore or Chester to
look for work since I don't
have to go to war.

Write and let me know
what can be done.

Yours in sports
Robert Hawley
